USE OF YOUR PERSONAL INFORMATION

UK Research and Innovation (UKRI) capture and process personal information in line with current UK data protection legislation. Our [privacy notice](#) provides more information around the processing of personal information, provides contact details for our Data Protection Officer and explains how to exercise your rights as a data subject.

UK Research and Innovation understands the importance of protecting personal information and is committed to complying with the General Data Protection Regulation 2016/679 (GDPR) and Data Protection Act (DPA) 2018. It is committed to fostering a culture of transparency and accountability by demonstrating compliance with the principles set out in the Regulation – as laid out in our [Data Protection Policy \(PDF, 137KB\)](#).

This privacy notice lets you know what happens to any personal data that you give to us, or any that we may collect from or about you. Some personal data limited to PI name and institution in UK and overseas, funding amounts and justifications, grant title, case for support and anonymised reviews will be shared with ICSSR for the purpose of checking applicant eligibility and assisting with joint peer review and panel assessments.
