# The Accreditation training development process

- ▶ April-August 2014: Iterative development piloting and feedback on the course.
  - ▷ Extensive consultation
    - ▼ Across the network
    - ▼ External stakeholders
- ▶ Attempt to Harmonise across services: UKDS/VML/HMRC
  - ▷ (core + add on)

# Key features of accreditation

## ▶ Interactive

- ▷ exercises

  - ▼ discussion

  - ▼ Formative testing

  - ▼ Data exercises

## ▶ Evaluation

- ▷ We are exploring testing

# Accreditation modules

- ▶ Legal and ethical issues
- ▶ SDC principles
- ▶ Avoiding disclosure output

# Refresher training

- ▶ Online/remote delivery?
- ▶ Frequency?
- ▶ Depth?

# Capacity Building

- ▶ Intro to Admin data course
- ▶ Building Networks with the DTCs and Q-Step programmes for student audiences
- ▶ Building Networks with Research led groups such as the SRA and research infrastructure organisations like NCRM and AQMEN
- ▶ Exploring the development of synthetic datasets
